First of all, I want to thank God for this course. I have learned a lot of things which I can't even write all of them. In Best Friends 1, I have learned that Jesus is my friend. I have always longed to learn how to get to heaven and this book has taught me how to get to heaven and all the things that will be in heaven and the things that will not be in heaven. God wants me to be in heaven with Him because He loves me so much. I will also do the right thing so that I will meet Jesus in heaven one day. This course has changed my life. Now everybody says good things about me. That I am a good boy. For I am happy. I love Jesus and He also loves me. Thank you.

— Samuel, 14, Ghana

It is amazing when you go into the Moslem dominated area after showing the Jesus Film. Some children came just to touch the screen and exclaimed Jesus was here!! And we encourage them that He is with them everywhere every minute and He loves them. He is a friend of children and they are excited. This is the starting point for the formation of *Mailbox Clubs*.

— Mary, Teacher, Malawi

I used to be selfish not helping my mother at home but Explorers lessons have shown me the importance of respecting my parents because this is what Jesus my Savior wants.

— Ellen, Malawi

I am 13 years old. I just want to thank *Mailbox Club* for changing my life. I have now accepted Jesus as my Savior. I want to thank you and the teachers for *Mailbox Club* because they have shown me love and they teach me the love of God and His Son Jesus Christ.

— Tamaza, Zambia

I am 10 years old. *Mailbox Club* has taught me the love of God and to share things with my friends and I like doing the lessons of *Mailbox Club*. Thank you.

— Wana, Zambia

I am 11 years old. I am a Christian but *Mailbox Club* has helped me to preach to other people the Word of God. My friends have stopped stealing and insulting me because they now know that Jesus does not like sin. *Mailbox Club* has also helped me to preach to 200 pupils and more at my school. Thank you.

— Alfred, Zambia

I am 11 years old. I have become a better person because *Mailbox Club* has helped me to know more about God and Jesus. I was already a believer when *Mailbox Club* came but I didn't know much about God and Jesus but now I know. Thank you.

— Chimwenu, Zambia

After studying Explorers, I now know that God is three in one: God the Father, God the Son and God the Holy Spirit. I now know how to pray and I prayed for provision of shoes and God blessed me.

— Learnmore, Zimbabwe

In Explorers I learned that if you are faced with temptation you should fight the temptation. One day Satan came to me and he said steal your mother's money and I said devil go away from me. I now know the devil and his tricks.

— *Samaresh, Bangladesh*

I read in class seven. I have completed the entire *Mailbox Club* course. I am so happy to get these. I have learned a lot from these courses that Jesus forgives us so many times. So we have to forgive them who do wrong. I have learned about Jesus that Jesus loves us so much. Jesus tells us to receive Him for our salvation. I believe that Jesus was dying for my sin so He is the Savior of my life and that changes my life a lot. I want to know more about Jesus. Thanks to all.

— *Rupali, 12, Bangladesh*

I am attending and helping program for children and learned all the lessons in the book to teach children. I was very surprised to read the miracles performed by Jesus. I learned everything from the beginning that is the creation of mankind. It was unbelievable for me to know that God Himself died for all of us. But it was because of the love of God only. Children asked lot of doubts to my teachers and we taught everything clearly. My love for Christ is increased that I decided to live for Christ. Therefore I want to thank you for conducting this program and letting

me teach very interestingly. Only in my class about ten children accepted Christ as their Friend.

— *Narattil, Bhutan*

I am also one of the children who participated in Jesus Film *Mailbox Club* program. I got a lot information and knowledge from this program. This helped me to get closer to Jesus. I have received books and lot of games from this program. I also received a certificate for participation in the program. Apart from these all, I received gift of Jesus more than what I expected. I don't know how to express my feelings about the gift. I believe all of them are blessings from Jesus.

— *Nithu, India*

I am a volunteer for the Jesus Film team. I am grateful to *The Mailbox Club* members to providing a great source of learning. I learned many things in these classes and got the new skills to teach children. This book teaches us that Jesus is the Savior of all men in the world, that He paid a great price for my sins that makes me to love Him so. By reading, teaching and hearing these lessons, my heart has been convinced and I confessed all my sins. I accepted and rededicated my life to Him. I love Him and will live for Him. I became His child for He is coming back soon to take us with Him to heaven. What a blessing and what a treasure in Him that this book helped me to explore to myself and to all my 85 students. Once again I would like to say Thank you to *Mailbox Club*. 13 students accepted Christ as personal savior and 8 children rededicated their life to Christ like me.

— *Sherapa, India*

I want to thank God for this great opportunity to testify Him that what He has done in my life through *Mailbox Club*. I learned all ten lessons from “Explorer”, a book given by the Jesus Film Aunty. God enabled me to complete all the lessons. I liked the lessons in that book so much. I got a clear understanding about Jesus. The third lesson of the book was very interesting that teaches us how God has created the universe and how God has created man clearly from the beginning. I also learned eight memory scriptures that they will help me in my problems as light unto my feet. Thank you for sending these books and would pray for *Mailbox Club*.

— Lakshmi, India

I used to steal money from my father. I also used to go to Jesus Film. Once my teacher after watching the film, gave me a book called “Explorers” and taught us the lessons from that book as series on every Sunday. One day our teacher taught us about forgiveness that God would forgive everyone who confesses his or her sins. That lesson touched me so. Immediately I prayed God with confession of all my sins to forgive me. That prayer took out all my fears and filled my heart with joy. I believed that the Lord forgave all my sins and decided that I will never commit sin and steal anymore. I am thankful you so much for sending these books with good lessons. The Lord changed my life through these *Mailbox Club* lessons and I request you to pray for me.

— Usher, Nepal

I got a great hidden treasure through the book, “Explorers”. This book is given by *Mailbox Club* who conducted classes in our village after Jesus Film. These classes and books really have blessed me. I learned all the lessons in that book and they are interesting. Mainly, fourth lesson is very interesting and heart touching, as the lesson talks about sin—as the meaning, origin, roots,

reasons and causes of sin. Also teaches that how we can be forgiven from our sins. I learned so much in this book. I also learned ten memory verses. I feel that all these words are written in the book for me. Thank you and God bless you *Mailbox Club*.

— Divya, Nepal

I have been watching Jesus Film for last 3 years. It was very interesting to see how Jesus talks to children. But now for last 4 months I am also reading about Jesus through *Mailbox Club* lessons. It has changed my life. Now I am boldly say that I am a Christian. I don't know what happened to me after accepting Christ but I am different person.

— Gnanakam, Sri Lanka

I took part in *The Mailbox Club* lessons program after Jesus Film. I learned many new things about Bible and Lord Jesus. I am very impressed with your interesting material. After learning all these ten lessons, now I am confirmed that God is unique and that it is Jesus Christ who died for me and shed blood on the cross of Calvary for my sake my sins. I appreciate the work of your mission and also am grateful to you for providing such a valuable Gospel lessons for children like me. I am praying God for His help to enable you to reach many.

Cuban children who completed Explorers 1 through the Jesus Film follow up program.

Studying the Explorers Bible lessons I've learned not to trust in religions or images, because those things are not God and they don't give us any help. I learned to trust in the Lord Jesus as my Savior, because He died for our sins and before He did it, He knew what was to happen to Him, despite that fact, He accepted His calling, and that makes me to admire Him even more. I know that Jesus will come back for those who trust Him and are faithful to Him.

— *Jesus, Bolivia*

The Love, Dating and Marriage lesson are very good for youth, because the teaching in them help us to make the right decisions in life. We as youth can easily get into the wrong path with the many things that the world offers. With these lessons I've been able to live a better life, I've learned a lot about God and how to live a righteous life. I like to come to church to learn more things in these lessons.

— *Vania, Bolivia*

The Iglesia (Church) Nueva Jerusalén started a Bible club with three children. Now they have 54 children that meet weekly to study the Explorers Bible lessons.

— *Discipleship coordinator, Jesus Film, Bolivia*

Some time ago I didn't like to go to church... but one day one of my friends told me that she was studying some Bible lessons from *The Mailbox Club*. I was curious, because I had never heard about that material. So she invited me to participate in her Bible club on Sunday

mornings at her church. When I got there I realized that not only me but also some other 30 teenagers were gathered together to study *The Mailbox Club* lessons. The lesson was interesting and one of the things that caught my attention was about who God really is and about confessing our sins. That really made me think, because I had never done it; I was reluctant to confess my sins, but finally I did it and that brought great peace to my heart. Many things changed in my life, now I'm different; I turned away from my friends who got me involved in wrong things, I behave better with my family and new friends. Now I'm happy that God lives in my life and also I'm now a member at my sister's church.

— *Junior, Brazil*

My daughter told me about *The Mailbox Club* Bible lessons she was studying at church, I asked her if it was just for children, she replied: "no, if you want to study them with me that would be great." As I didn't want her to go to church by herself, I decided to go with her. When I was there I felt some uneasiness, because I was the only adult in the class. But as I continued attending those meetings I started to realize how much God loves me and cares for me. After studying the 6th lesson I found out that I needed to trust the Lord Jesus as my Savior. I made a sincere prayer of repentance and now my daughter and I serve our Lord at church. That was the best thing that happened to me this year. I hope to continue studying [God's Word] with my daughter.

— *Maria, 42, Brazil*

I started to enjoy *The Mailbox Club* lessons some time after we started studying them, because at the beginning I thought that they would start making all kinds of funny questions that I wouldn't be able to answer; and I thought that if I answered any, it would be just to pass a grade. But when I studied the lesson about salvation and the steps to accept Jesus, I realized that I didn't know that before, so I started believing that perhaps what they had been telling me about God it was true. Then I started to take the lessons as a guide for my life, now I'm born again, starting to grow and I feel some sad that the lessons are finishing.

— John, 9th grade, Colombia

I think the teachings in *The Mailbox Club* lessons were very good for my students, because they lead them to live a better life. They would read each lesson and I would be the moderator for the question... and they liked it a lot. I realized that their levels of aggressiveness were lowered and there was a change in their attitudes. They were guided to a very different spiritual life, as they used to be very empty towards God.

— Carmen, Colombia

I liked *The Mailbox Club* lessons very much, they were important in my life, because I learned about God and His Son Jesus, for that reason I love God more and I'm more obedient with my parents. Thank you for your concern for us and for sending these lessons to us.

I thank God for the opportunity I had to study the Explorers Bible lessons from *The Mailbox Club*. I learned a lot about the Lord Jesus. Also, I'm grateful with my Bible club teacher for her love, dedication and patience to teach us the lessons and I'm thankful for the people who sent the lessons to us.

— Yorleni, Cuba

For me the Jesus movie was very important because I learned many good things watching it. I could see how the Lord Jesus would make good to those who mistreated Him and how served all kinds of people. What it touched my heart the most it was seeing Him suffering and dying for us all. When I studied the Explorers Bible lessons I could confirm it even more in my life. I realized how great is Jesus' love for me and that He is almighty. I could feel that He is with me in my heart and in my life when I trusted Him by faith in my heart. My life has changed, although I still misbehave, I know that He loves me and is with me.

— Evelin, Nicaragua

I was touched by the Jesus movie as I watched how the Lord Jesus was merciful even with those who hurt Him, how He healed the sick and how He set up an example for us all. I also like the Explorers Bible lessons, because they taught me about many things like humility, faith, honesty, and also not to lie but to say the truth as this is very important for our lives. The fact that the discipleship program people came to our school it was a great blessing that helped me to get to know God better and also He healed my dad in a surgery. I got to know God better and have learned many Bible verses.
