

"Jesus was here!"

... was the exclamation of excited children who touched the movie screen after watching "The Jesus Film" in Malawi. A note from Mary, the teacher, expressed her amazement of this response by these children living in a Muslim dominated area. She continued by writing, "We encourage them that Jesus is with them everywhere, every minute and He loves them." He is a friend of children and they are excited. This is the starting point for the formation of Mailbox Clubs."

MATCHING GRANTS

A generous Christian foundation is offering two matching grants for our works in non-Christian countries that are significantly influenced by Islam, Hinduism, Buddhism, Animism and other indigenous beliefs. Our partners in these regions include *Operation Christmas Child*, *The Jesus Film Project*, *Child Evangelism Fellowship*, scores of local churches and ministries. There are a variety of settings through which The Mailbox Club will be taught directly to yearning children—churches, schools, orphanages, camps, feeding programs and sports ministries.

Most of these impressionable children have never heard the name of Jesus. Please pray for them and all of the devoted people involved in giving them the life-changing opportunity to have a personal relationship with Jesus Christ! Please give! Every dollar given, up to \$150,000, will be matched by the Maclellan Foundation, Chattanooga, TN. This will enable Gospel efforts to win these responsive children to the Lord Jesus and disciple them in the faith!
